

Patience

But let patience have her perfect work,
that ye may be perfect and
entire, wanting nothing.
James 1:4

Patience (Perseverance)

Day One

How often do we find ourselves, during times of trials, asking God for patience- and please hurry!" The word "patience" means, "long-tempered." It is the opposite of having what is known as a "short fuse."

Patience is the ability to contain one's self. It indicates perseverance, endurance, steadfastness, and long-suffering. Patience is that calm and unruffled temper with which the good man bears the evils of life, whether they proceed from persons or things.

Men may tempt and provoke God, yet He displays incredible patience towards man. Many Bible commentators believe that God waited for men to repent of their wickedness for 120 years while Noah was building the ark.
